RE: APPLICATIONS ACCEPTED FOR FILING

The applications listed herein have been found, upon initial review, to be acceptable for **filing**. The Commission may return any of the applications if, upon further examination, it is determined they are defective or not in conformance with the Commission's Rules and Regulations, or its policies.

Final action will not be taken on any of these applications earlier than 31 days following the date of this notice, except for radio applications not requiring a 30 day notice period (§ 309(c)) of the Communications Act.

In order for a mutually exclusive application to be entitled to concurrent consideration with any application appearing herein, it must be received in a condition acceptable for filing and timely in accordance with the following: (a) in the case of initial applications for non-931 MHz frequencies subject to Part 22 of the Commission's Rules, no later than 30 days from the date of this Public Notice; (b) if the application is for a 931 MHz frequency, no later than 60 days after this Public Notice or the close of business one business day preceding the day on which the Commission takes an action, but in no case less than 30 days after this **Public** Notice.
